

EBIKE X VIENNA FUTURE

GLOBAL SUMMIT FOR EBIKE IMPACT

Shaping the future of electric mobility
and sustainability—**together.**

May 16, 2025

**Vienna @ WeXelerate
& Online Event**

WHY EBIKE FUTURE X 2025?

Ebike Future X 2025 is a **hybrid event** uniting global e-bike innovators, business leaders, and visionaries in Vienna and online.

Building on the success of our **annual online Ebike Future Conference** (est. 2019) and local Ebike Future X events (launched in 2024), we're now bringing **major in-person** momentum to Europe's hottest startup hub.

Gain **insight** on market trends, **explore** new technology frontiers, **discuss** city mobility, and **forge** invaluable partnerships.

Join us for **keynotes, pitch sessions, and expert panels. Walk away with fresh ideas, valuable connections, and a roadmap for accelerating the e-bike revolution.**

GLOBAL EBIKE SUMMIT

May 16, 2025 | 10:00 – 17:00 CET

In Person and Online Event

weXelerate +  zoom

WHAT TO EXPECT

Format:

- Live keynotes, panels, and expo booths in Vienna
- Online livestream for global viewers
- Q&A, chat, and matchmaking features for virtual attendees

Networking:

- On-site coffee breaks and lunch
- Evening party at the ViennaUP homebase
- Online B2B matchmaking integrated with the event app

We help grow the global e-bike community—empowering business owners, tech pioneers, city planners, and enthusiasts to collaborate.

FROM MARKET TRENDS TO MEGATRENDS

WE COVER IT
ALL

TOPICS

- **E-Bike Market Trends & Megatrends**
- **Innovation & Disruption** (latest tech breakthroughs)
- **Technology & Connectivity** (AI, IoT, data-driven solutions)
- **City Mobility** (urban planning, infrastructure)
- **Sustainability & Climate Action**
- **Business Opportunities** (investment, scaling, distribution)
- **Startup Pitch Sessions** (spotlighting emerging e-bike ventures)

Discover how global shifts in AI, sustainability, and the cycling movement shape your e-bike strategy for 2025—and beyond.

ONE ACTION-PACKED DAY

| | |
|---------------------|---|
| 09:00–10:00: | Registration & Coffee |
| 10:00–12:30: | Keynotes & Inspiring Talks |
| 12:30–14:00: | Lunch & Networking |
| 14:00–15:30: | Panels, Q&A Sessions, Expert Discussions |
| 15:30–16:00: | Startup Pitch Sessions |
| 16:00–17:00: | Networking / Expo Area |
| 17:00–21:00: | Official ViennaUP Party (Karlsplatz) |

We keep sessions concise and dynamic—similar to a TEDx format—to spark new ideas and encourage real-time discussions.

And 150+ more...

Now, your brand can share that spotlight.

Global Community

DRIVING GROWTH TOGETHER

Through our global Ebike Future series, we've cultivated a vibrant community of e-bike innovators, businesses, and enthusiasts who accelerate each other's growth and expand the market together. This spirit of shared knowledge and collaborative opportunity is at the heart of Ebike Future—and represents our unique value proposition.

ATTENTION START-UPS

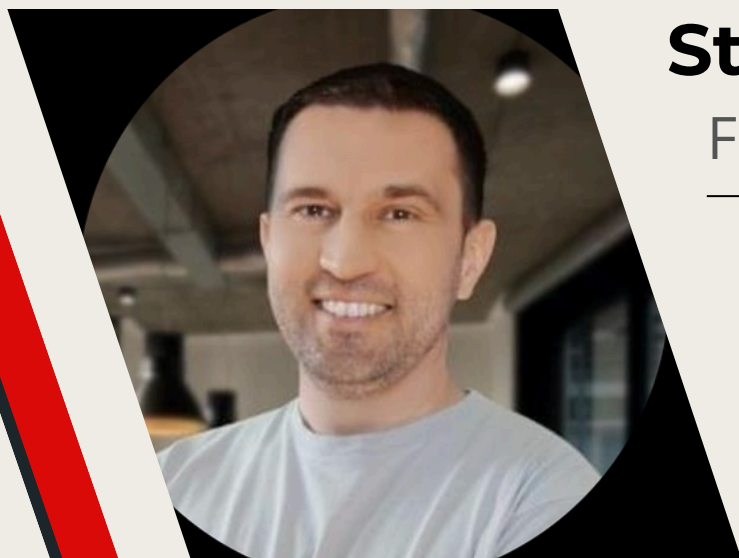

No matter if you're creating next-generation battery technology, software solutions, or innovative e-bike designs, our platform is open for you.

A distinguished panel of judges, including venture capitalists, industry professionals, and public servants, will be present.

PITCH ON AND OFFLINE

- Pitch your solutions to a global audience of investors and industry leaders
- Hybrid sessions: Present live or online
- Gain valuable feedback and potential funding opportunities
- Application details at [\[ebikefuture.com/startups\]](https://ebikefuture.com/startups)
